The September/October 2022 issue of *The Patent Lawyer* magazine unveils its long-awaited *Law Firm Rankings 2022 Asia-Pacific*, featuring a comprehensive list of the 10 most well-respected law firms from the Asia-Pacific region.

Wanhuida Intellectual Property is ranked as one of the Top 10 Patent Firms in China.

Throughout the year, *The Patent Lawyer* magazine carries out extensive research to highlight leading firms in the IP and patent field to recognize the hard work and improvement firms have achieved. The research covers the jurisdictions of The Middle East & Africa, The Americas & The Caribbean, South America, Europe & The UK and Asia-Pacific.

The list is derived from a multifaceted methodology, based on months of industry research and feedback from the readers, clients, and esteemed connections around the world.

The firm has been ranked by the magazine three years in a row.
