# Legal 500: Wanhuida receives top-tier firm ranking for IP contentious and non-contentious, 5 practitioners made the list

ニュース > 荣誉と実績

In the latest “Legal 500 Greater China 2026”, which is launched on November 19, 2025, Wanhuida Intellectual Property has been rated as a TIER-1 PRC FIRM in both categories of “Intellectual Property: Contentious” and “Intellectual Property: Non-contentious”.

According to Legal 500, Wanhuida is “frequently sought out by clients” and is “equipped to handle the entire scope of contentious and non-contentious IP matters”. The endorsement is substantiated by satisfactory client testimonials, testifying the firm’s “strong practical ability and industry understanding in judicial practices”, its “familiarity with the legal provisions”, and capability in “transforming rules into enforceable solutions” and “providing executable solutions and landing assistance”. Clients commend the firm’s practitioners for their “deep involvement in the whole process of the case, from evidence collection, case construction, response preparation, to trial performance, focusing on practical results rather than formalities every step of the way”. Clients also heap praise on the team’s “quick turnaround time”, “proactiveness in accommodating last-minute requests” and “accurate implementation”.

Bai Gang, the firm’s Founding Partner and Management Committee Chair, is inducted, six years in a row, into Legal 500 Hall of Fame, which is exclusively reserved for lawyers that are regarded as being at the very top of the profession, widely known and respected by peers and clients for their longstanding involvement in market-leading work.

Three fellow members from the firm’s Management Committee, Ren Haiyan, Jason Yao and Dr. S. Sam Li, as well as Partner Yang Mingming are listed as Recommended Lawyers.

Yang Mingming cements his inclusion in the guide as clients acknowledge his “highly commercial and responsive” style, his “detail-oriented, realistic and extremely professional approach”, and his “timely, precise, holistic and immaculate business advice”.
